

Dear valued service partner,

Inter-Portfolio has been offering customized solutions for investors, fund initiators and portfolio managers for more than 20 years.

As part of a global rebranding following the acquisition of BTG Pactual Europe S.A. (formerly "FIS Privatbank S.A.") by BTG Pactual Holding Internacional S.A., BTG Pactual Europe S.A., as the sole shareholder of Inter-Portfolio Verwaltungsgesellschaft S.A. (the "Management Company"), has decided to change the name of the Management Company to "BTG Pactual Europe Management Company S.A." and to change its registered office to 29, Av. de la Porte Neuve, L-2227 Luxembourg. This name change marks a significant milestone in BTG Pactual's global expansion strategy. BTG Pactual has successfully established a presence in over 10 countries, including 4 in Europe. Luxembourg now plays a vital role in our operations.

As the largest investment bank in Latin America, BTG Pactual offers a full range of services, including Investment Banking, Corporate Lending, Sales & Trading, Wealth Management, Asset Management, and Fund Services. In 2023, as BTG Pactual celebrated its 40th anniversary, our Assets and Wealth under Management topped US\$300bn, and our market cap hit US\$30bn.

We deeply value each of our partner and recognize their essential role in our success. We reaffirm our strong commitment to continue providing excellent service with the same dedication and care we invest in all activities and markets where we operate.

We assure you we remain your reliable partner and will be by your side every step of the way as we transition.
